

## CURRICULUM VITAE

**NAME:** Bruce S. Cutler, M.D.

### EDUCATION:

Princeton University, Princeton, New Jersey

Graduated: June 1962  
Degree: Bachelor of Arts, *summa cum laude*  
Honors: Phi Beta Kappa Society  
Sigma XI Society

Harvard Medical School, Boston, Massachusetts

Graduated: June 1966  
Degree: Doctor of Medicine, *cum laude*  
Honors: Alpha Omega Alpha Society

Post-Graduate Education:

Internship: Massachusetts General Hospital, 1966-67  
Residency: Massachusetts General Hospital, 1967-68, 1970-73  
Fellowship: Vascular Surgery, Jesse Thompson, M.D., 1973-74  
Baylor University Medical Center, Dallas, TX

### MILITARY SERVICE:

1968-1969: Medical Company Commander, Company C  
23rd Medical Battalion, Americal Division  
Republic of Vietnam  
Awards: Bronze Star with Oak Leaf Cluster  
Air Medal with Oak Leaf Cluster  
1969-1970: Surgical Staff, Kirk Army Hospital  
Aberdeen, Maryland

### BOARD CERTIFICATION:

National Board of Medical Examiners, 1967  
American Board of Surgery, 1974  
Certification Vascular Surgery, 1984  
Recertification Vascular Surgery, 1994

### STATE LICENSURE:

Massachusetts

**PRESENT ACTIVITY:**

Professor of Surgery; University of Massachusetts Medical Center  
Worcester, Massachusetts. AWARDED TENURE 1979.

Director, Vascular Laboratory: University of Massachusetts Medical Center,  
Worcester, Massachusetts.

Chief, Division of Vascular Surgery; University of Massachusetts Medical Center,  
Worcester, Massachusetts.

Director of Vascular Residency Program: University of Massachusetts Medical Center,  
Worcester, Massachusetts. (Accredited American Board of Surgery, 1984).

Staff Surgeon: St. Vincent Hospital, Worcester, Massachusetts.

Affiliate Faculty: Worcester Polytechnic Institute, Worcester, Massachusetts.

Selection Committee, Wylie Traveling Fellowship, Society for Vascular Surgery

Senior Examiner for American Board of Surgery Certification in Vascular Surgery  
Admissions Committee, UMass Medical School 2007-Present

**SOCIETY MEMBERSHIPS:**

International Society for Cardiovascular Surgery  
Massachusetts Chapter, American College of Surgeons  
American College of Surgeons, Fellowship 1977  
Jesse Thompson Vascular Society, Chairman 1980-1981  
Society for Vascular Surgery  
New England Surgical Society  
New England Society for Vascular Surgery, Secretary 1984-1992, President 1993-1994, Chairman Nominating  
Committee 1996

**GRANTS:**

1. Principal Investigator: "Evaluation of Safety, Tolerance and Efficacy of BL 191 in the Treatment of Peripheral Vascular Disease". Sponsored by Hoechst-Roussel Pharmaceutical, Inc.  
Funding: \$78,000.
2. Principal Investigator: "Red Blood Cell Survival Following Auto-transfusion". Haemonetics Corporation.  
Funding: \$21,000.
3. Principal Investigator: "Ketanserin in the Prevention of Cardiovascular Events in Claudicating Patients with Atherosclerosis". Janssen Pharmaceutical. Funding: \$86,000.
4. Principal Investigator: "Multicenter Evaluation of the Safety and Efficacy of PY 108-068, Compared with Placebo in Patients with Atherosclerosis Obliterous". Sandoz Research Institute.  
Funding: \$266,000.
5. Principal Investigator: "A Multicenter Study of d-Indobufen Compared with Placebo in Patients with Intermittent Claudication". Adria Laboratories. Funding: \$190,000.
6. Principal Investigator: "Clinical Evaluation of the Percutaneous Greenfield Filter". Boston Scientific Corporation. Funding: \$27,000.

7. Principal Investigator: "Implantation of a New Prosthetic Vascular Graft in Animals". Bard Cardiovascular. Funding: \$10,000.
8. Principal Investigator: "Clinical Evaluation of PGI<sub>2</sub> in Healing of Ischemic Ulcers". G.H. Besselaar Associates. Funding: \$125,000.
9. Principal Investigator: "A Randomized Double-Blind Placebo-Controlled Study of Cilostazol (OPC-13013) in Patients with Intermittent Claudication Secondary to Chronic Occlusive Arterial Disease". Otsuka America Pharmaceutical, Inc. Funding: \$187,000.
10. Principal Investigator: "A Randomized, Double-Blind, Placebo-Controlled, Multidose Study of Cilostazol in Patients with Intermittent Claudication Secondary to Chronic Occlusive Arterial Disease". Otsuka America Pharmaceutical, Inc. Funding: \$157,000.
11. Principal Investigator: "A Randomized, Double-Blind Placebo-Controlled Study of the Effect of Cilostazol on Walking Distances in Patients with Intermittent Claudication". Otsuka Pharmaceutical, Inc. Funding: \$286,000.
12. Principal Investigator: "A Randomized, Double-Blind, Placebo-Controlled Study of the Effect of Cilostazol on Walking Distances in Patients with Intermittent Claudication". Otsuka America Pharmaceutical, Inc. Funding: \$324,000.
13. Principal Investigator: "A Randomized Double-Blind, Placebo-Controlled, Dose Response, Efficacy and Safety Study of Oral Iloprost Administered for Six Months, in Severe Peripheral Vascular Disease". Sponsor: Berlex Laboratories, Inc. Funding: \$52,000.
14. Principal Investigator: "A Randomized Double-Blind Comparison of Cilostazol and Trental vs. Placebo in Patients with Intermittent Claudication". Sponsor: Otsuka Pharmaceutical. Funding: \$ 249,000.
15. Principal Investigator: "Controlled, MultiCenter, Randomized, Parallel-Group, Single-Blind Study to Compare the Safety and Hemostatic Efficacy of the Fibrin Sealant, Beriplast P, with Thrombin-Soaked Gelfoam in the Treatment of Bleeding Anastomosis Sites". Sponsor: Centeon Corporation. Funding: \$105,000.
16. Principal Investigator: "A One-Year Randomized, Double-Blind, Placebo Controlled, Parallel Group, Multi-Center Study to Evaluate the Efficacy of Avasimibe in Patients with Peripheral Vascular Disease." Sponsor: Parke-Davis Pharmaceuticals. Funding: \$285,000.
17. Principal Investigator: "A Multi-Center, Double-Blind, Randomized, Placebo-Controlled Study of the Safety and Efficacy of Chronic and Beraprost Sodium in Patients with Intermittent Claudication." Sponsor: United Therapeutics Corporation. Funding: \$300,000.
18. Principal Investigator: "A Multi-Center, Double-Blind, Placebo-Controlled Study of the Safety and Efficacy of Chronic and Beraprost Sodium in patients with Intermittent Claudication: A follow on Study." Sponsor: United Therapeutics Corporation. Funding: \$235,000.
19. Principal Investigator: "A Randomized, Placebo-controlled, 12 week Multicenter Study of the Safety and Efficacy of Continuous or Daily Administration of Remodulin (trepostinil) Injection Compared to Conventional Therapy in Patients with Critical Limb Ischemia." Sponsor: United Therapeutics Corporation. Funding \$50,000.
20. Principal Investigator: "The Effect of Niacin ER/Lovastatin vs. Placebo on Peak Walking time in Patients with Intermittent Claudication." Sponsor: KOS Pharmaceutical Corporation. Funding \$144,000.
21. Principal Investigator: "A Randomized Placebo-Controlled, 24 week Multicenter Study of the Safety and Efficacy of Remodulin in Patients with Critical Limb Ischemia Following an Autogenous Vein Infrainguinal Bypass Graft." Sponsor: United Therapeutics Corporation. Funding \$48,000.00.

22. Principal Investigator: “Prospective, randomized, controlled study to compare the effects of fibrin sealant (FS2) versus manual compression for hemostatic efficacy during vascular surgical procedures utilizing polytetrafluoroethylene graft material on an end - to side femoral or upper extremity arterial access anastomosis.” Sponsor: Ethicon. Funding: \$64,890.00.
23. Principal Investigator: “Prospective, randomized, double-blind (phase 2) study of Rifalazil Treatment on the Number of vascular Interventions and Peripheral Vascular Disease end points in Chlamydia pneumonia seropositive patients (PROVIDENCE-1). Sponsor: Activbiotics. Funding: \$102,000.
24. Principal Investigator: “Safety and efficacy of Propionyl-L-Carnitine in combination with monitored Exercise Training in Peripheral Arterial Disease (Intermittent Claudication) as assessed by a graded treadmill protocol. Sponsor Sigma Tau Research, Inc. Funding: \$118,000.00.
25. Principal Investigator: “Evaluation of cilostazol in combination with L-Carnitine in the treatment of intermittent claudication.” The “Eclectic Study” Sponsor: Colorado Prevention Center. Funding \$65,000.

#### **EDITORIAL:**

1. Abstract Writer for Journal of Vascular Surgery.
2. Key Editorial Reviewer for Journal of Vascular Surgery. 2001- Present
3. Special Editorial Reviewer for Archives of Internal Medicine. 1999-Present
4. Editorial Board, Journal of Ultrasound Technology.
5. Editorial Board, Review of Vascular Surgery.
6. Special Editorial Reviewer for Journal of the American College of Cardiology
7. Special Editor Vascular Medicine

#### **HONORS:**

- “Best Doctors in America” 1999, 2001 – 2009  
“America’s Top Surgeons” 2007-2009.
